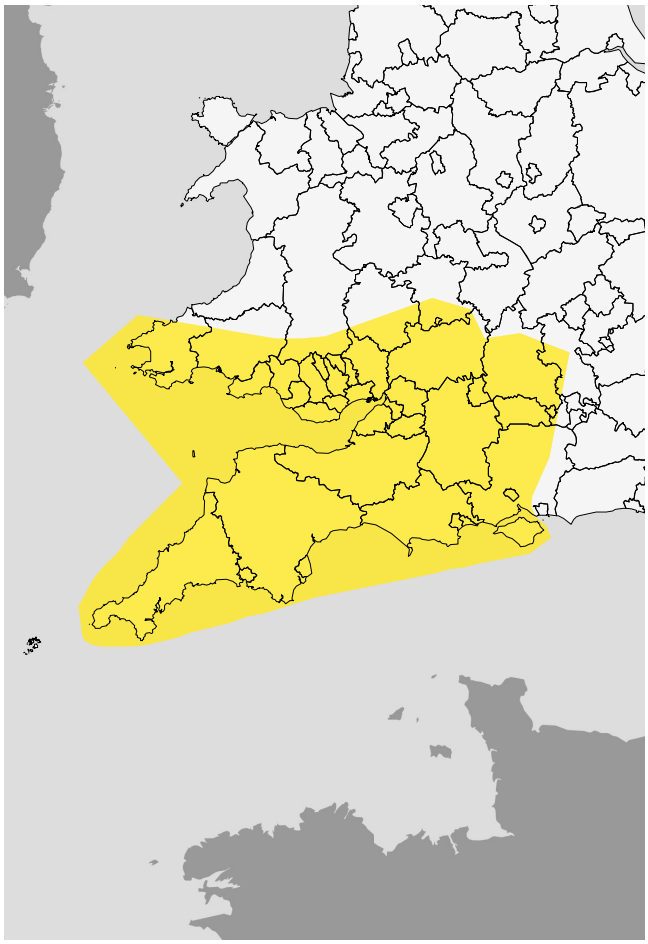
Yellow warning
Rain

Between
06:00 Tue 26 Nov 2019 and
15:00 Wed 27 Nov 2019



Rain and heavy showers bring a risk of flooding and travel disruption.

What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Flooding of a few homes and businesses is likely

Further details

A broad area of heavy rain is expected to move northeastwards across this region during Tuesday. Heavy showers then follow, these probably heaviest and most numerous on and near coastal areas, especially in Wales and southwest England. Conditions also quite windy at times, especially in coastal areas where gales are likely.

The combination of rain and subsequent showers likely leads to 10-20 mm of rain quite widely whilst over high ground and in locations where showers are particularly frequent 20-40 mm may build up in a few places.

Medium likelihood of low impacts
